I. INFILL REDEVELOPMENT VISION

The OKLAHOMA CITY URBAN RENEWAL AUTHORITY (“OCURA”) invites the submission of written proposals from qualified residential developers for the purchase and construction of residential homes (single-family homes, duplexes, condominiums, townhomes or similar small-scale residential project) on OCURA owned lots located in the John F. Kennedy (JFK) and Northeast Renaissance (NER) Urban Renewal project areas. OCURA owns many vacant and scattered residential lots in this area and is seeking to reestablish owner occupancy in the neighborhood with well-designed infill homes. OCURA may require the replatting of lots to achieve good site planning.

The lots related to this RFP are within the boundaries depicted in Exhibit 1 below.

Exhibit 1: JFK and NER Boundaries for Lots

Available residential lots corresponding to this RFP can be viewed online at <https://www.ocura-ok.org/land-inventory>. The available residential lots are depicted and identified in the property legend in yellow as “OCURA Vacant Residential Property” and gold as “OCURA Vacant Multifamily Property.”

II. REDEVELOPMENT POLICIES AND REGULATORY DOCUMENTS

OCURA has established the following policies related to the sale of lots:

1. Owner occupancy required. The sale of lots is intended to promote owner occupancy. A “For Sale” product must be proposed.
2. Oklahoma City Urban Renewal Authority Residential Design Standards. Design review and plan approval will be required for all residential homes. In March 2015, OCURA adopted revised residential design and site planning standards for the area. These standards will be used to review home plans and site features such as setbacks, garage orientation, fencing, walls and so forth. (Design review typically requires that the Redeveloper retain the services of an architect or other qualified design or construction professional to assist with home design, lot layout and City of Oklahoma City building permit processing.) A link to the residential design and site planning standards can be found [here](#) or on OCURA’s web site at www.ocura-ok.org/rfps.
3. City of Oklahoma City Zoning. Proposals must be consistent with City zoning and other development standards. OCURA will consider supporting a variance application if the variance is in the best interest for redevelopment of a site.
4. All property is offered as-is. The condition of the lots are offered “as-is,” this may include, but is not limited to access, utilities, site grading, tree removal, site cleanup, rezoning, etc. These costs are exclusively the cost of the homeowner/builder/developer and will not be covered or reimbursed by OCURA.

III. SUBMITTAL REQUIREMENTS

Proposals must be submitted to OCURA and include all of the following:

A. LOT IDENTIFICATION

Redevelopers¹ must identify the OCURA lot(s) they are proposing on. State the type of home(s) (single-family, duplex, etc.) to be built and the anticipated square footage of the home(s).

¹ Throughout this document, prospective builders or real estate developers are referred to as the “Redeveloper”.

B. HOME PLAN CONFORMANCE WITH RESIDENTIAL DESIGN AND SITE PLANNING STANDARDS

Redevelopers must sign Form 5 in Exhibit A acknowledging their understanding of OCURA's residential design and site planning standards referenced previously in this RFP. Home plans **do not** have to be presented with this submittal; however **do** identify the architectural category intended for each proposed lot based on the Residential Design Standards.

Upon proposal approval and once a redevelopment agreement is executed, OCURA will request the following be submitted:

1. Construction Budget
2. Site Plan/Floor Plan
3. Elevations
4. Landscaping Plan
5. Specifications for Materials, Doors, Windows and Garage Doors

OCURA will conduct design review on the plans and specifications to ensure conformance. Design approval must be granted from OCURA as a condition to proceed to closing.

C. REDEVELOPER QUALIFICATIONS AND FINANCIAL ABILITY TO EXECUTE CONCEPTUAL MASTER PLAN

Please provide a narrative addressing the following:

Qualifications of Development Team

1. List all development team members, including consultants (architect, designer, builders, realtors, etc.), and their qualifications to undertake the project.
2. List all projects, completed and/or in progress, by the Redeveloper within the past 5 years. Highlight those most similar to the proposed development. Discuss which projects, if any, involved a public/private partnership with an entity such as an urban renewal authority, local government, etc.
3. Prospective Redevelopers must authorize credit and background checks by filling out Form 4A-4C in Exhibit A.

Financial Ability to Execute the Proposed Master Plan

In order to assist OCURA in reviewing the financial capability of the Redeveloper, the following information is requested:

1. Execution of the financial and credit check forms under Exhibit A of this RFP.

2. A summary project budget that shows anticipated construction costs and home sales prices. Identify if the home(s) will be market rate or affordable.
3. Developer's financials of the principal or parent company. In the absence of such financials, the tax returns of the principal respondents to this RFP will be requested.
4. Upon proposal approval by OCURA, evidence of financing will be requested prior to the sale of any lot(s).

D. TIMEFRAME TO COMPLETE

Provide the timeframe to commence and complete construction of the home(s). If the project will be built in phases, provide a phasing plan identifying those timeframes.

If necessary, OCURA will negotiate timeframes to commence and complete the project. It is not the intent of OCURA to sell lots for land banking by a Redeveloper.

E. EXHIBIT A FORMS

The Redeveloper must complete and/or sign Forms 1-6 in Exhibit A of this RFP.

F. APPLICATION FEE

Proposals must include a non-refundable application fee of \$150 per lot in the form of bank certified check made out to "OCURA". Unsuccessful proposals will not have this fee returned.

IV. CRITERIA AND TIMELINE

A. REVIEW OF PROPOSALS:

After receipt of proposals, the submissions will be reviewed for completeness by OCURA staff based upon, but not limited to, the following criteria:

1. Developer team qualifications and demonstrated expertise in completing projects similar to the one proposed.
2. Financial capacity to carry out this project based on the submitted budget and other information submitted with the proposal.
3. Identification of lot(s), home-type and anticipated square footage of the home.
4. Ability of the Redeveloper to initiate the development process within a reasonable timeframe after execution of the redevelopment agreement and to complete the project in a timeline satisfactory to OCURA.
5. Appropriateness of proposed architectural categories for each lot in accordance with the OCURA Residential Design Standards. (Design plans will need to be approved after a redevelopment agreement is in place but prior to the sale of any lots.)

6. Execution of Forms 1-5 in Exhibit A.
7. Review of personal and criminal background checks and their ability to demonstrate sound financial and moral character.
8. A non-refundable application fee of \$150 per lot.

Reviews and evaluations by staff of OCURA and other consultants, public or private organizations or committees requested by the Urban Renewal Authority Board of Commissioners will be advisory only. The level of consideration and weight to be given to any review will be determined by the Board of Commissioners, and the Board of Commissioners reserves complete and final authority for actions and approvals in connection with the selection process.

B. OCURA'S RIGHT

OCURA reserves the unconditional right, at its sole discretion, to reject any or all proposals submitted for any reason or no reason. OCURA may, at its discretion, waive any informalities, minor defects, or technical inaccuracies in the proposals. OCURA reserves the right to request and obtain any additional information necessary to complete evaluation of the proposals.

C. REDEVELOPER DESIGNATION

Upon review and evaluation of redevelopment proposals or following negotiations with prospective Redeveloper(s), the OCURA Board of Commissioners may grant a proposer a Redeveloper designation. This designation will be under such terms and conditions as the Board deems appropriate. A Redeveloper designation will confer no legal rights upon the prospective Redeveloper other than the opportunity to negotiate terms of a redevelopment agreement with OCURA.

D. PREPARATION AND APPROVAL OF REDEVELOPMENT AGREEMENTS

The final phase of the selection process will consist of negotiations to outline the terms and conditions of a redevelopment agreement. Site conveyance will be provided by a Special Warranty Deed, subject to such restrictions as required by OCURA. Disposition must take place at or above "fair value" as required by Oklahoma Law.

E. OTHER

All lot sales are subject to surveys, title examinations, environment assessments, and/or engineering studies as determined relevant by OCURA. The Redeveloper will be responsible for some or all of the costs associated with such activities. Additionally, if it is determined that certain actions are necessary to make the lot developable, the costs for such actions will be described in the redevelopment agreement and considered in the determination of the purchase price of the property. If unable to reach an agreement, OCURA may choose not to sell the lot.

- b. For each document for which you are claiming a confidential privilege, identify the federal and/or state law that creates said privilege, e.g., for trade secrets, see 21 O.S. § 1732 (Larceny of Trade Secrets) and the Uniform Trade Secrets Act, 78 O.S. §§ 85, et seq.

Please note that the Authority, consistent with § 24A.3(d) of the Act, understands that "personal financial information, credit reports or other financial data obtained by a public body for the purpose of evaluating credit worthiness, obtaining a license, permit, or the purpose of becoming qualified to contract with a public body" is not subject to disclosure under the Act. Financial information requested by this Request for Proposals for evaluating the creditworthiness of the Proposer or the purpose of allowing the Authority to determine if the Proposer is qualified to contract with the Authority should be submitted in a separate envelop and marked as confidential financial information.

Should an Open Records request be presented to the Authority requesting information the Proposer has identified as “Confidential”, the Proposer will be informed and the Proposer will be responsible for defending its position in the District Court, if needed.

If the Proposer fails to identify any records submitted as part of your proposal as “Confidential” by placing them in the “Confidential” envelope AND if the Proposer fails to identify the specific state or federal law creating such privilege, the Authority will assume that the Proposer agrees that said records are not confidential and are subject to public access.
